Pattern for Maple Leaf Block for Fall Table Runner 2024"© Finished block when sewn into project is 6” x 6” 09/05/2024

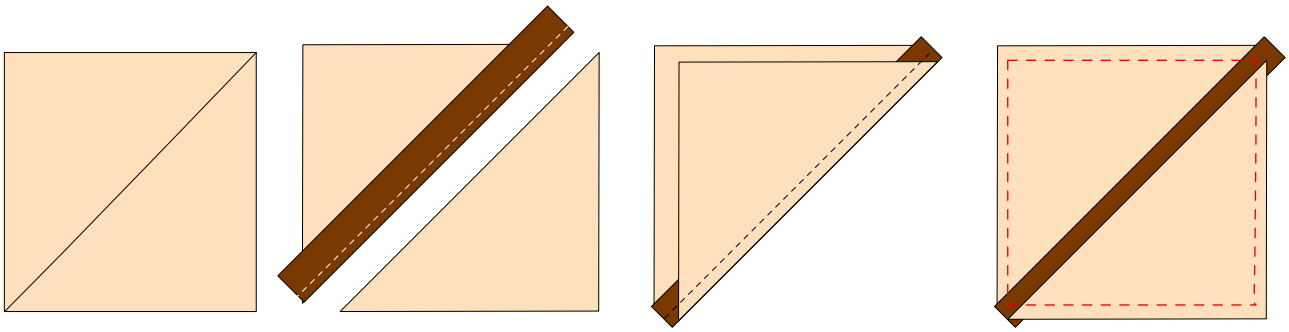
Make Stem Unit:

Cut one D square on the drawn diagonal line, giving you (2) triangles.

Place the E strip along the edge of one triangle right sides facing. Sew 1/4” seamline. Press E strip away from the triangle.

Lay other triangle on E strip, right sides facing and aligning edges. Sew 1 4” seamline. Press this triangle away from E strip.

Trim to a 2-1/2” square as shown with dashed red lines in 4th illustration.



Make Half Triangle Units:

Lay (2) D squares right sides together (RST) on (2) C squares. Match edges and corners.

Stitch 1/4” on each side of the drawn line.

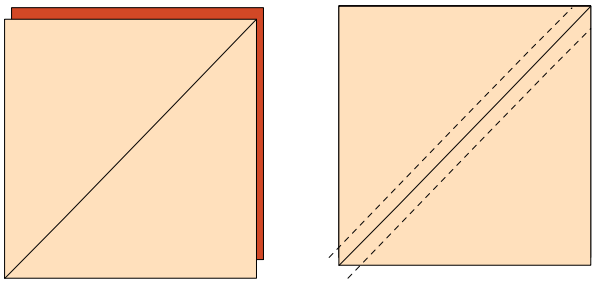
Cut on the drawn line to form 2 square triangle units (HST) from each block for a total of 4 units.

Press toward the leaf fabric.

Each HST should measure 2-1/2” x 2-1/2”

Sew (4) HST for each maple leaf block.

Se next page for directions to complete the one block.



Lay (1) D square and (1) M square right sides together.

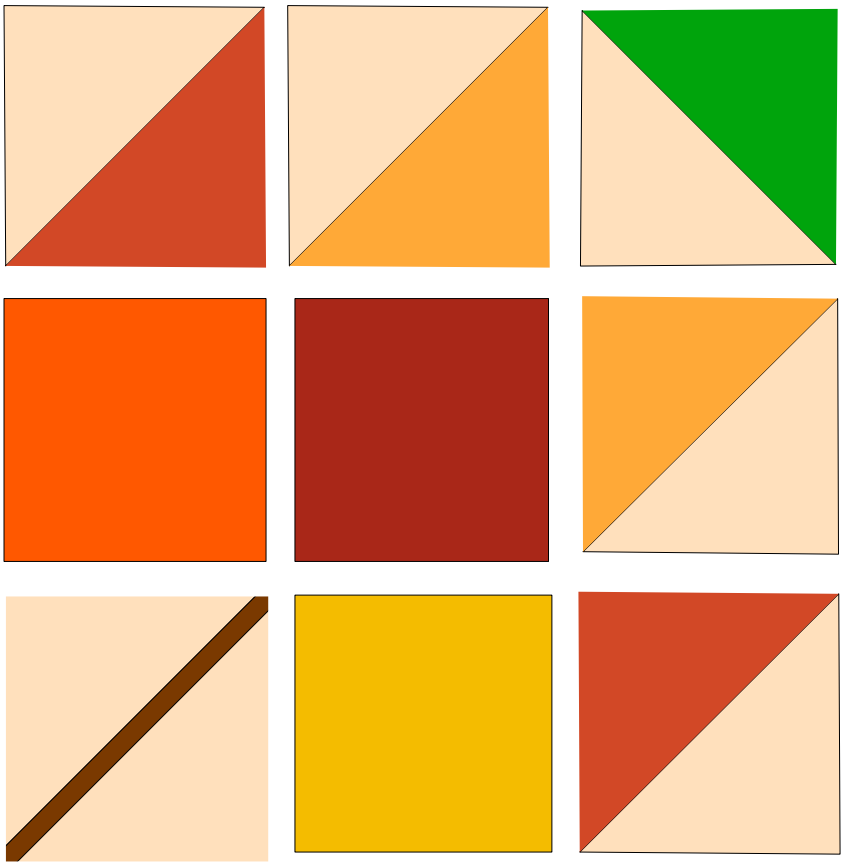
Sew ¼” on both sides of the drawn line. Cut apart along the drawn line.

Press toward the M triangle. Trim to 2 1/2” square. This is the GREEN half square triangle block shown below.

Set the other to the side and place in the next leaf block you make.

Layout block units as shown below.

Sew in rows across. Press seams that meet in opposite directions for less bulk.



Block should measure 6 1/2” x 6 1/2”.

Make 3 more leaf blocks.

Set aside.
