Read All directions before beginning.

Use this pattern to make 4 *Center Star Points Units* that will measure 4 ½" square before sewing into completed table runner.

- This is a pieced pattern.
- The directions call for rotary cutting.
- Sew with a ¼" seam
- The fabrics needed:

Two fabric A cut (3 ¼" x 3 ¼")

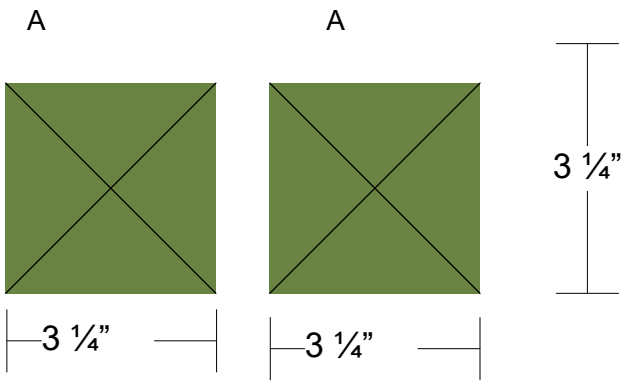
Two fabric B each cut (5 ¼" x 5 ¼")

One fabric C cut (5 ¼" x 5 ¼")

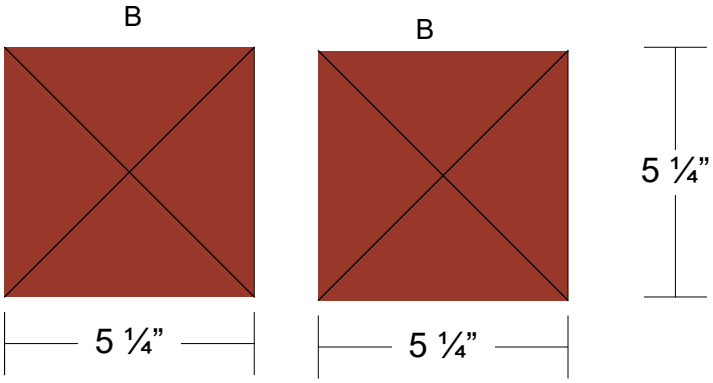
Four fabric D Background squares, each cut (1 7/8" x 1 7/8")

The next page illustrates cutting the pieces.

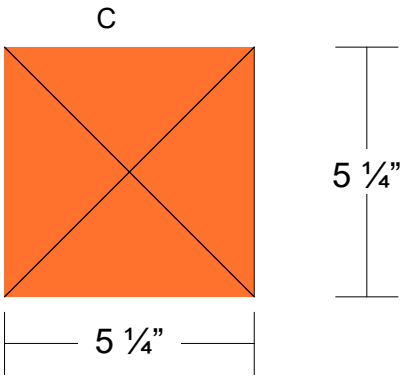
Construction directions follow.



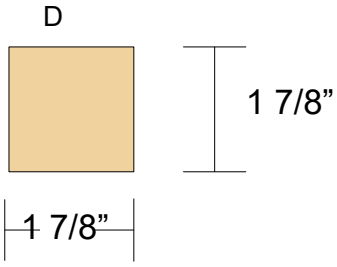
Cut each square diagonally twice as shown at left.



Cut each square diagonally twice as shown at left.



Cut this square diagonally twice as shown at left.



4 D squares cut this size as directed on page 1.

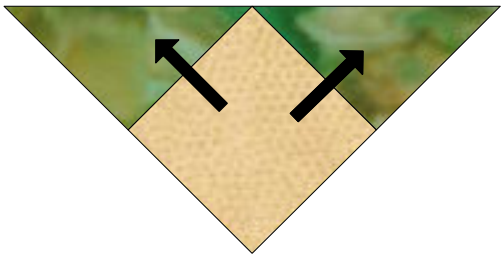
For personal use only.

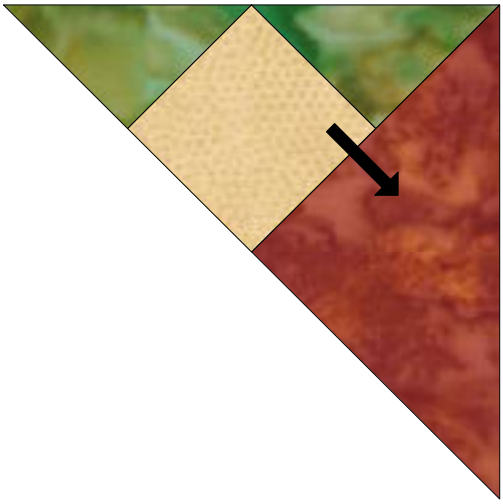


Step 1

Use ¼” seam allowance to sew (2) A triangles to (2) sides of each D piece as shown at left.

Press seams away from background square as shown with arrows.

Sew four units like this.



Step 2

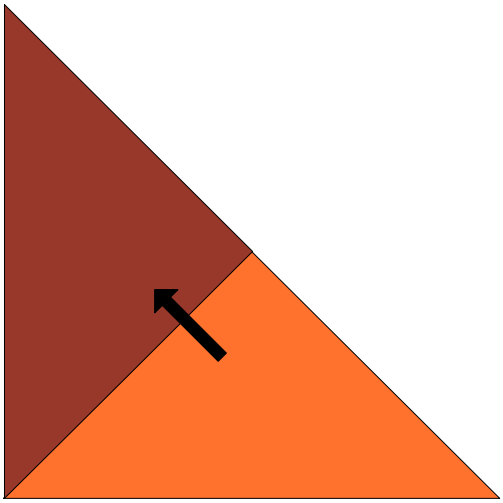
Sew (1) B triangle to right side of each previously constructed A-D triangle unit.

Press seam towards D triangle.

Make 4 of these units.

Step 3

Sew (4) B-C triangle units as shown below. Press seams toward B triangle.



Step 4

Sew Unit A-D-B to Unit B-C as shown below. Press seam toward B-C unit.

If needed, trim to 4 ½” x 4 ½” square.

Make 4 of these units and set aside.
