Double Pinwheel Block

Week 4

Fall Sew Along

Table Runner

This is the final block to sew. It is the center block of the table runner.

You will sew only one block. Which will measure 4” x 4” when sewn in the finished table runner.

For more information about foundation paper-piecing (FPP), Paper Panache, my favorite FPP website has clear, detailed instructions for paper piecing (and free patterns, too).

https://www.paperpanache.com/how-tos

Materials needed:

(2) **Fabric A** squares cut 2 7/8” x 2 7/8” for outer corner fabrics in one fall color.

(1) **Fabric B** square 3 1/4” x 3 1/4” for 4 of the inner pinwheel triangles

(1) **Fabric C** square 3 1/4” x 3 1/4” for 4 of the inner pinwheel triangles

Squaring ruler, or equivalent

Rotary cutter,

Thread that blends when sewing

Common sewing supplies

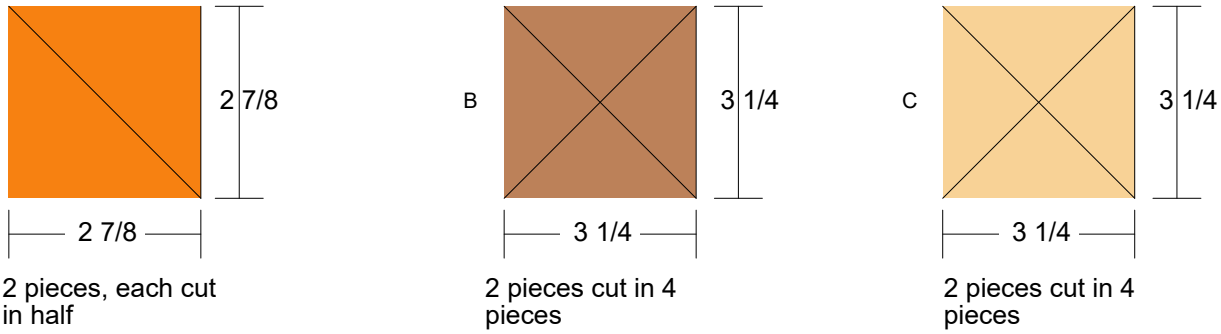
Use ¼” seams allowance throughout.

1

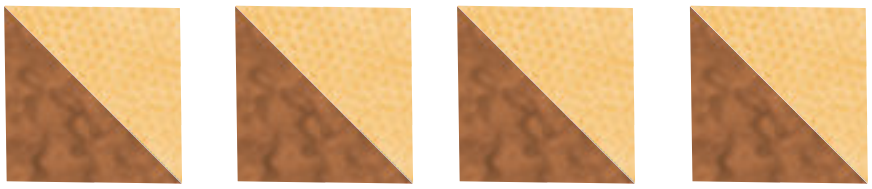


2 pieces, each cut in half

2 pieces cut in 4 pieces

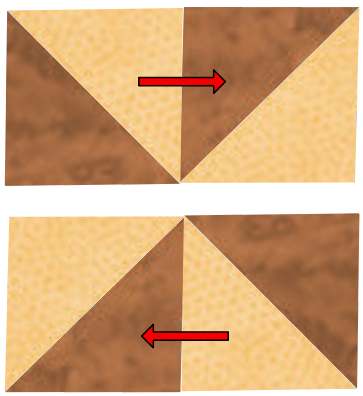
2 pieces cut in 4 pieces

2



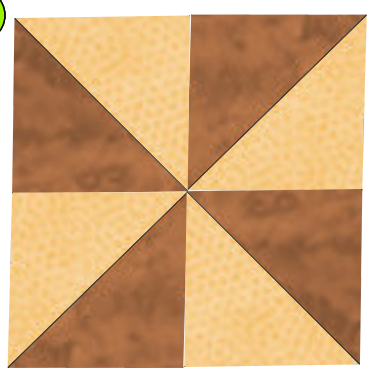
Sew (1) Fabric B piece and (1) Fabric C together along long diagonal. Press seam open. Repeat for all 4 sets.

3



Sew (2) sets of B/C units together as shown in the two illustrations above. Press the seam of each, to the darker fabric triangle. See red arrow.

4



Sew the two sets together.

The seams will nest in opposite directions for unit alignment.

Press seam in one direction.

5

To complete the center unit:

Sew one corner triangle to each straight side of the double pinwheel.

Press toward outer triangle just sewn to finish the block.

Trim to 4 ½” x 4 ½” if needed.

Set aside. Next week is time to sew the table runner.
